**Why Our Version is Best**

Butter

Margarine, shortening, hydrogenated fats

Moo-Delicious! Butter provides incredible flavor, moister cakes and creamier frostings. When combined with sugar, achieves longer shelf life naturally.

Unbleached Flour

Bleached flour and mixes

Bleach for whiter clothes... sure. But who would want bleach in their food? And we bake from scratch.

100% natural extracts

Artificial flavors and dyes

Richer flavors and never an after taste; eliminates health-related concerns over artificial additives.

Aluminum-FREE baking powder

Baking powder with aluminum

No Chemicals! Great for siding on a house but inside the body...never with Just Desserts!
